Dear Parents/Guardians,

Beginning with the 2018-2019 school year, Citrus County High Schools will transition from a block schedule to a traditional 7 period school day.

This change in the schedule will have an impact on the courses your student will take next year. In an effort to provide your child with the best instructional schedule for the 18-19 school year I encourage you to communicate with your student's assigned guidance counselor to select the courses that are best for your child.

If you have any questions, please do not hesitate to call.
Thank you for your support of Lecanto High School.

Sincerely,

Jason Koon
Principal
