PRINCIPAL'S REQUEST FOR OUT-OF-FIELD
2019-2020

Teachers are considered out-of-field if they are teaching ANY course that is not covered by their certification, even if for only one period per day. This also applies to teachers who do not have ESOL certification/endorsement and are the primary instructor of ESOL students for Reading/Language Arts.

I am recommending the following teachers for Out-of-Field Assignment:

Jan. 31, 2020

Lecanto High School is very proud that all teachers and administrators who work with our students are certified by the State of Florida or other governing boards. We appreciate the following teachers who have volunteered to teach a subject outside of their primary certification and are currently taking classes to obtain certification in the area they are teaching out-of-field. Each of these teachers have both experience and coursework in the area they are teaching. We appreciate their efforts to support the academic needs of our students. On behalf of the LHS administrative team – thank you.
