## A Message from the Principal

Hello Panthers,

I wanted to take this time to express how impressed I am with the way that everyone has started the school year. During this unprecedented time, we are progressing through the year like professionals. Students are doing an exemplary job of handling all the new procedures and the Panther staff have definitely done their part in making sure that all students are ready to learn and meet goals for the 20-21 school year.

Fall sports are starting and we are looking forward to seeing our student athletes compete and show their pride, sportsmanship, and hard work from all the practices and workouts up to this point. Everyone has modeled their diligence and grit to get back on the field. So with all this going on, I thank you for all you are doing to keep LHS great!!!

Jason Koon  
Principal of Lecanto High School

# LHS SCHOOL NOTES

## Fundraisers

LHS sponsors several fundraisers each year for different purposes. Profits from fundraisers at LHS will be used to purchase school-wide needs. A small amount of these funds may be used to provide food and other consumable items for faculty and staff sessions throughout the year. We are very appreciative of our students participation in fundraising efforts for LHS and this ongoing support of the LHS community.

## Asbestos Plan

Citrus County Schools previously developed an Asbestos Management Program for all facilities. Required re-inspections of the facilities are performed at six month intervals. Information from these re-inspections, along with information from the original Management Plan, is available for review at each facility.
